2. Stand lamp base (A) on a flat surface.
3. Connect arc arm (C) onto arc arm (B) using screw (D).
4. Insert arc arm (B) onto sleeve of lamp base (A), and secure with screw (E) using key (H) - provided.
5. Connect male/female connectors (I) and slide into sleeve (F).
6. Secure sleeve (F) by sliding it onto the metal sleeve located on lamp base (A) and secure with screw (G).
7. Attach socket (J) to arc arm (C) and secure firmly.
8. Insert bulbs (K) - NOT INCLUDED to socket (J).
9. Attach shade (L) to socket (J) and secure with finial (M).

IMPORTANT SAFETY INSTRUCTIONS

This lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

INSTRUCCIONES DE ENSAMBLE

IMPORTANTES INSTRUCCIONES DE SEGURIDAD

Esta lampara tiene un enchufe polarizado (una navaja es mas ancha que la otra) como forma de seguridad para reducir el riesgo de un shock electrico. Este enchufe polarizado entrara en una conecion solo de un lado. Si el enchufe no entra en la conecion trate el reverso. Si aun asi no entra, contacte un electricista calificado. Nunca use una extension a menos que el enchufe pueda ser conectedo completamente. No altere el enchufe.
